NOTES

NOTES

Prestel Controls

★ 0 #	Returns you to the start of your service.
★ 1 #	Returns you to the Prestel Main Index.
★ number #	Takes you from anywhere to the page number specified.
#	Takes you forward to: . the next page of information (b-z frame on Prestel, but can be another page number in a Gateway); or . the next space to be completed on a message or data collection page; Or sends completed information to the computer in a Gateway.
★ #	Returns you to the previous page in strict sequence (up to three times on Prestel).
★★	Cancels any instruction from you, prior to pressing #.
★ 00	Refreshes the page, free of charge, clear of any corruption caused by interference on the phone line, but leaves intact anything you've entered.
★ 09	Has two functions: . repeats the page to include any updates (the page will be charged for again, if applicable); . clears everything entered on a message or data collection page.
★ 02	Disconnects you from a Gateway, leaving you still on Prestel.
★ 90 #	Disconnects you from Prestel (but not if there are any messages waiting for you).
